# About Our Company

At JKD Global Impex, we are passionate about delivering sustainable craftsmanship to the world. As a dynamic export-import company based in India, we specialize in eco-friendly, handcrafted products made from jute, cotton, and natural grasses—bringing together traditional artistry with modern design and functionality

## Our Products

We have a large range of Eco friendly products dedicated to natural ingredients and ethical production practices

Our diverse product portfolio includes:

- Jute & Cotton Bags: Eco-conscious shopping, office, wine, and tote bags
- Jute Handicrafts: Coasters, table mats, runners, yoga mats, rugs, and wall hangings
- Natural Grass (Madur Kathi) Products: Coasters, bottle bags, table mats, handbags, hats, yoga mats, floor mats, and file folders

## Our Core Values

- Ethical sourcing and fair trade practices
- Customization and bulk export solutions
- Building lasting partnerships with our clients worldwide
- Reliable, on-time international shipping

## OUR MOTO

We believe that business can be a force for good—and through our eco-friendly offerings, we strive to make a positive impact on both people and the planet.

## Integrity

Every product we offer is crafted by skilled rural artisans, blending natural materials with timeless techniques. Our aim is to promote sustainable living, empower local communities, and provide our global customers with high-quality, biodegradable alternatives to plastic and synthetic items
